

Uncork a Cure for ALS

Active Against ALS Celebrates
Our 15-Year Anniversary!

October 5, 2023
6:00pm
York Food & Drink
Ann Arbor

Active Against ALS is a nonprofit organization, formed in 2008 when community member Bob Schoeni was diagnosed with ALS (Lou Gehrig's Disease). At any given time, there are 30,000 people in the U.S. living with ALS, for which there is no cure. This year we celebrate **15 years** of creating fun, active community events for people of all ages, while raising awareness of ALS and critical funds for research.

Help us reach our 15-Year goal of raising \$150,000 for ALS research by supporting our event, Uncork a Cure for ALS, October 5, 2023 at York Food & Drink.

*Please submit your sponsorship or program ads
by clicking on the QR code below.*
