Gala Caps Yearlong Effort

Our 10-year anniversary campaign culminated with the Gala, where we celebrated a decade of inspirational events and accomplishments.

We were thrilled and honored to host 185 guests at our 10-Year Anniversary Gala on November 10, 2018 at Travis Pointe Country Club – the capstone event to our Ten-Year Anniversary Campaign.

The talented Community High School Jazz Combo entertained guests as they enjoyed hors d’oeuvres. Afterward, guests were seated in the dining room for the evening’s program. Our emcee and friend, Milan Karol, formerly of The Robert Packard Center for ALS Research at Johns Hopkins, welcomed attendees and led a spirited trivia game designed to bring tablemates together while learning more about our mission. Guests then enjoyed a video highlighting a decade of events and accomplishments.

Following dinner, board chair Michael Meister spoke about his family’s personal experiences with ALS and how much the work and support of our caring community of Active Against ALS has meant to him and so many others. He also shared a brief overview of the organization and thanked all who have made our accomplishments possible. He concluded with an exciting announcement that we met our anniversary goal to raise $125,000! We are thrilled to share that our Gala raised $20,303 and with Giving Tuesday and other end-of-year donations, our campaign total has reached $195,000!

A special moment of the evening was honoring Bob Schoeni and Suzanne Ross, our founding board member and first board chair, who passed away in September (see page 2). Bob and the Ross family were presented with plaques designating our two annual research awards: the Robert F. Schoeni Award and the Suzanne Hiyama Ross Award. Guests then viewed a heartwarming video tribute to Suzanne.

(Cont’d)
In September, we said a heartbroken goodbye to our beloved friend and long-term Active Against ALS member, Suzanne Ross, who died at home after living valiantly with an advanced cancer diagnosis. Suzanne left this world in the same way that she lived in it; surrounded by love, and full of passion, humor, a fighting spirit, and an ingrained sense of generosity. She has been at the heart of our grass-roots effort since the very beginning – as a founding board member, our first chair (2008-2013), and most recently, with support from the James A. and Faith Knight Foundation, our first official paid staff person. To put it simply, nothing is the same without her.

Suzanne was a native Michigander. She was born in Royal Oak in January 1963 to Grace and Paula Hiyama. In 1985, she graduated from Kalamazoo College, and then earned her master’s degree in Social Work from the University of Michigan in 1987. She and Kevin, her husband of over twenty-two years, settled in Ann Arbor in 1996 where they raised their two children, Katy and Cody. Suzanne was constantly connecting with people around her. She coached youth sports, volunteered at St. Andrew’s Episcopal Church, and dedicated endless hours to local organizations in a variety of capacities, including serving for three years as President of the Pioneer Band Association. Katy and Cody like to joke that sometimes the best (or only) food in the house was what she’d prepared for a sick neighbor or a community potluck!

As our first board chair, Suzanne helped to shape the core commitments of Active Against ALS: compassion, community, and the belief that working together makes a difference. She led the way in empowering young people to get involved, eager for youth to experience first-hand the good that comes from taking action. As the person who reached out to newcomers and connected with people who had heard of our work, she had a natural way of making everyone feel valued and empowered.

Suzanne approached every endeavor with a can-do attitude and a spirit of joy and inclusiveness. She laughed with her whole body, and hugged with her whole heart. We miss her gift of photography, her voice of encouragement, and her healthy perspective about the important things in life. We are forever grateful that she shared herself and her family with us: Kevin has been our box-car builder guru, and Katy and Cody grew up participating in, helping at, and even organizing their own Active Against ALS events. Her spirit lives on through them.

The world has lost a beautiful person who was dedicated to a life of service. Ever a giver, Suzanne’s last act was to donate her corneas to Eversight for sight-recovery surgery. It is our desire to honor Suzanne’s legacy, and we are thus determined with more passion than ever to continue raising funds and awareness for ALS, and to continue putting into practice her ideals of community and engagement.
Thank You

RIVALRY RIDE
Nearly 20 riders pedaled to defeat ALS in the 68-mile ride from Spartan Stadium to The Big House on game day. A wild weather day with sun, rain, sleet and snow challenged participants! We appreciate all the cyclists, including a contingent from New Hampshire. Thanks also to Beth Sugerman, our sag wagon driver and Kathy Siler, who live-tweeted sections of the ride in honor or in memory of someone with ALS. Appreciation to Cheryl Sugerman and Shelly Webber who prepared and served the lunch at the park in Stockbridge. Riders and donors raised nearly $12,000. Because so many folks want to attend the game, this year we are riding on a Michigan bye weekend – September 14. Join us! If interested, email a2a3rivalryride@gmail.com.

GIVING TUESDAY AND YEAR-END DONATIONS
We are grateful for the generous responses to our Giving Tuesday Appeal on November 27, and our annual End of Year Appeal. These donations totaled over $2,475.

HOCKEY FUNDRAISER
On January 5, the Chelsea Masters Hockey Charity held a fundraising event at the Arctic Coliseum in Chelsea with proceeds designated for the Ann Arbor Rockets and Active Against ALS (in honor and memory of Suzanne Ross). Cody Ross played goalie for one of the games that night. On February 27 Kevin Ross and our board member Sara Robins were on hand at Vets Park to accept a check for $2,236 for ALS research. Huge thanks to Chelsea Masters and Lonnie and Natalie Grantham for honoring Suzanne and our organization with this generous donation.

Gala Recap

Ari Weinzweig, Zingerman’s co-owner and founding partner, inspired the gathering with his heartfelt keynote address. He spoke eloquently about hope, the power of our beliefs, and the spirit of generosity. Ari’s books echoing those themes were available for sale, and ZingTrain graciously donated a portion of the proceeds to Active Against ALS.

The evening concluded by announcing raffle prize winners — drawn from tickets submitted by participants at multiple events throughout our anniversary year.

Words fail to capture the spirit of community and caring that filled the elegant ballroom that evening. We profoundly thank everyone who joined us, as well as our honorary committee, sponsors and advertisers. We are truly grateful for your support and could not have reached our fundraising goal without YOU! We move into the future with renewed resolve to raise awareness and urgently needed research funds to find a cure for ALS.

A “Reflections and Memories of Friends and Family” table included photos and personal stories, and a Dedication Tree adorned with 50 tags of photos, names and remembrances of loved ones affected by or lost to ALS. Guests were invited to add their own stories to the table and tree.

An archival collection: Photos, newsletters, proclamations and memorabilia significant to our history.

Framed, poster-sized photos capturing people and events from our ten-year history edged the elegant ballroom.
